HELP

If you're unsure how to make your image high resolution, please hire someone to design it for you. I did make two videos that may help you.

For your social media mention and email mention, I can use the same image as your ad, but you can also send me about a paragraph to include.

WANT HELP DESIGNING?

If any of this is new and unfamiliar to you, please consider hiring a designer to make your ad because I cannot help you with the design of your ad. I recommend hiring the graphic designer who designs the magazine, Crystal Calhoun. You can reach her at crystal@madetobeunique.com and see her portfolio at MadetoBeUnique.com.
